

Angels in Your Everyday and Your Guardian Angel

A workshop offered by Tammy Marinaro-Crook of Coreexpressions

Are you aware that you can call the angels into your everyday to help you in unlimited ways?

Are you aware that you have a guardian angel who guides and protects you, knows everything about you and exists only to help you?

You're aware! How about learning more and strengthening your connection to the angels so they can further HELP YOU EVERYDAY!

This 3 hour workshop will help you strengthen your connection with the Angels and develop a personal relationship with your Guardian Angel so you can invoke more assistance in your everyday.

Learn how YOU sense and connect to the Angels. Receive personal attention to help you recognize and strengthen your connection.

Learn how to call in the Angels everyday to assist you with everything from getting your day started on a positive note and getting it all done on time to building healthy relationships.

Make a personal connection with your Guardian Angel.

Open the channel of communication with your Guardian Angel to provide you with guidance in your everyday.
